UrgentCareTravel Offers Free Limited Biometric Screening in Support of National Truck Driver Appreciation Week

Medical Clinic Network Located at Pilot Flying J Provides Fleets and Professional Drivers Convenient and Affordable Access to the Medical Services Needed to Help Keep Drivers Healthy and on the Road

Miami, FL – UrgentCareTravel (UCT), the Medical Clinic Network located at Pilot Flying J, announces a special offer of a free limited biometric screening to all drivers at its medical clinics during National Truck Driver Appreciation Week, September 10-14. UrgentCareTravel has eleven medical clinics in its network, with plans to add five more clinics in 2018 and a growing clinic network over the next few years.

UrgentCareTravel focuses on providing fleets and professional drivers convenient access to affordable medical services needed to help keep drivers healthy and on the road. The free limited biometric screening service provides drivers with the following baseline of health indicators:

- Height
- Weight
- Waist circumference
- Neck circumference
- Blood pressure
- Resting heart rate
- Body Mass Index (BMI)

“Professional drivers are the backbone of our economy and deserve to be recognized, but they have challenges with their health and access to healthcare,” said Siva Suresh, CEO of *UrgentCareTravel*. “Our network of medical clinics located at Pilot Flying J fills a critical need in the trucking industry - affordable and convenient healthcare. The free limited biometric service is a starting point to help drivers begin their journey toward better health.”

About UrgentCareTravel

UrgentCareTravel, the Medical Clinic Network Located at Pilot Flying J, is dedicated to improving driver health and keeping drivers on the road. With a focus on convenience and affordability, UrgentCareTravel is the only medical clinic network focused on truck driver health.
